

INDEX TO SUBJECTS

Africa

- [Building NGOs/CBOs' Capacity Through Information](#), 6
- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24
- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32
- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22
- [Southern Africa Water Information Network \(SAWINET\): A Case Study on Sharing of Integrated Water Resources Management \(IWRM\) Information and Experience in South Africa](#), 16

Agricultural water management

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

AQUASTAT

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

Aquatic ecosystems

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Aquatic habitats

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Aquatic organisms

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Arsenic

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

Asia

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

Bangladesh

- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

Biodiversity

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Canada

- [Climate and Water Data Transfers via Internet: From Vision to Action](#), 31

Capacity building

- [Building NGOs/CBOs' Capacity Through Information](#), 6
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33
- [Nile Basin Capacity Building Network for River Engineering](#), 34
- [The U.N. Water Virtual Learning Centre: A Flexible Distance Learning Course Programme on Integrated Water Resource Management](#), 26

Caribbean

- [Building Partnerships: A Strategy for Bridging the Water Resources Information and Knowledge Divide in the Caribbean](#), 35
- [Virtual Library on Environmental Health \(VLEH\)](#), 08

Case studies

- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32
- [Networking to Put Knowledge into Practice Through Effective Communications: The Swedish Water House Case Study](#), 40
- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

CEPIS/PAHO

- [Virtual Library on Environmental Health \(VLEH\)](#), 08

Climatology

- [Climate and Water Data Transfers via Internet: From Vision to Action](#), 31

Collaboration. see Partnerships

Content management

- [SANICON: An Internet Portal for Information on Sanitation](#), 14

Data collection

- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32

Data sharing

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Data standards

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Databases

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29
- [EAUDOC: Your International Memory for Water](#), 11
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Developing countries

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

Distance learning. see E-Learning

Documentation

- [EAUDOC: Your International Memory for Water](#), 11
- [Organization Development Guidebook: Information Resources for Today's World](#), 41
- [Virtual Library on Environmental Health \(VLEH\)](#), 08

Drinking water

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

E-Conferences

- [Organizing an E-Conference](#), 21
- [The Potential and Use of Electronic Conferencing: A Study of Women's Involvement in a Global Community](#), 19

E-Learning

- [myNetWorks: A Collaborative Web Environment for Sustainable Environmental Technology](#), 25
- [Pakistan Water Knowledge Network](#), 17
- [The U.N. Water Virtual Learning Centre: A Flexible Distance Learning Course Programme on Integrated Water Resource Management](#), 26

EAUDOC

- [EAUDOC: Your International Memory for Water](#), 11

Ecology

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Ecosystems. see Aquatic ecosystems

EMWIS

- [Implementing a Decentralized Water Portal in the Euro-Mediterranean Area: First Lessons from EMWIS](#), 13

Europe

- [Implementing a Decentralized Water Portal in the Euro-Mediterranean Area: First Lessons from EMWIS](#), 13

Food and Agriculture Organisation (FAO)

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

FREPLATA Project

- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Freshwater organisms. see Aquatic organisms

FreshwaterLife

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Gender issues. see Women's participation

Geographic information systems (GIS)

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29
- [Climate and Water Data Transfers via Internet: From Vision to Action](#), 31
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Gesellschaft für Technische Zusammenarbeit GmbH (GTZ) Palestine

- [Organization Development Guidebook: Information Resources for Today's World](#), 41

Global climate change

- [Climate and Water Data Transfers via Internet: From Vision to Action](#), 31

Global Water Partnership

- [Southern Africa Water Information Network \(SAWINET\): A Case Study on Sharing of Integrated Water Resources Management \(IWRM\) Information and Experience in South Africa](#), 16

GLOBWINET (Global Water Information Network)

- [The Global Water Information Network \(GLOBWINET\): Critical Aspects of a Net-Based Information System](#), 18

Hygiene

- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24

Information architecture

- [EAUDOC: Your International Memory for Water](#), 11

Integrated water resources management (IWRM)

- [Building Partnerships: A Strategy for Bridging the Water Resources Information and Knowledge Divide in the Caribbean](#), 35
- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32
- [Southern Africa Water Information Network \(SAWINET\): A Case Study on Sharing of](#)

[Integrated Water Resources Management \(IWRM\) Information and Experience in South Africa](#), 16

- [The U.N. Water Virtual Learning Centre: A Flexible Distance Learning Course Programme on Integrated Water Resource Management](#), 26

International Hydrological Programme

- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Internet portals

- [EAUDOC: Your International Memory for Water](#), 11
- [The Global Water Information Network \(GLOBWINET\): Critical Aspects of a Net-Based Information System](#), 18
- [Implementing a Decentralized Water Portal in the Euro-Mediterranean Area: First Lessons from EMWIS](#), 13
- [Pakistan Water Knowledge Network](#), 17
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30
- [SANICON: An Internet Portal for Information on Sanitation](#), 14
- [SIAGUA: An Operational Spanish-Speaking Network in the Field of Water Knowledge in America](#), 10
- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Interoperability

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Irrigation

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

Israel

- [Organization Development Guidebook: Information Resources for Today's World](#), 41

Jerusalem Water Undertaking

- [Organization Development Guidebook: Information Resources for Today's World](#), 41

Knowledge

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Latin America

- [Organizing an E-Conference](#), 21
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30
- [Virtual Library on Environmental Health \(VLEH\)](#), 08
- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Maritime Front Environmental Information System

- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Media campaigns

- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24

Monitoring

- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

myNetWorks

- [myNetWorks: A Collaborative Web Environment for Sustainable Environmental Technology](#), 25

Nepal

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23

NGO Forum

- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33

Niger River basin

- [The Impact of Hydrological Information Services on Integrated Water Resources Management and Development: Niger River Basin Case Study](#), 32

Nigeria

- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24

Nile River basin

- [Nile Basin Capacity Building Network for River Engineering](#), 34

North America

- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Ouranos

- [Climate and Water Data Transfers via Internet: From Vision to Action](#), 31

Pakistan

- [Pakistan Water Knowledge Network](#), 17

Pakistan Water Gateway

- [Pakistan Water Knowledge Network](#), 17

Pan American Center for Sanitary Engineering and Environmental Sciences (CEPIS/PAHO)

- [Virtual Library on Environmental Health \(VLEH\)](#), 08

Partnerships

- [Building NGOs/CBOs' Capacity Through Information](#), 6
- [Building Partnerships: A Strategy for Bridging the Water Resources Information and Knowledge Divide in the Caribbean](#), 35
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33
- [Nile Basin Capacity Building Network for River Engineering](#), 34
- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12
- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

PHAST (Participatory Hygiene And Sanitation Transformation)

- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Policy

- [Networking to Put Knowledge into Practice Through Effective Communications: The Swedish Water House Case Study](#), 40

Portals. see Internet portals

Poverty

- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Public education

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24
- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Public health

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33
- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Public participation

- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24

Sanitation

- [Building NGOs/CBOs' Capacity Through Information](#), 6
- [Grassroot Participation and Management for Rural Water-Related Environmental](#)

- [Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24
- [NGO Forum: A Nodal Point for Knowledge Sharing and Networking in Bangladesh](#), 33
- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22
- [SANICON: An Internet Portal for Information on Sanitation](#), 14
- [The Potential and Use of Electronic Conferencing: A Study of Women's Involvement in a Global Community](#), 19
- [Virtual Library on Environmental Health \(VLEH\)](#), 08

SAWINET

- [Southern Africa Water Information Network \(SAWINET\): A Case Study on Sharing of Integrated Water Resources Management \(IWRM\) Information and Experience in South Africa](#), 16

Self-esteem

- [Grassroot Participation and Management for Rural Water-Related Environmental Problems in Ebo Itumbonuso, INI Local Government Area, Akwa Ibom State, Nigeria](#), 24

SIAGUA

- [SIAGUA: An Operational Spanish-Speaking Network in the Field of Water Knowledge in America](#), 10

Software

- [The U.N. Water Virtual Learning Centre: A Flexible Distance Learning Course Programme on Integrated Water Resource Management](#), 26

South America

- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30
- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Subject gateways. see Internet portals

Suburban areas

- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Sustainable technology

- [myNetWorks: A Collaborative Web Environment for Sustainable Environmental Technology](#), 25

Sweden

- [Networking to Put Knowledge into Practice Through Effective Communications: The Swedish Water House Case Study](#), 40

Swedish Water House

- [Networking to Put Knowledge into Practice Through Effective Communications: The Swedish Water House Case Study](#), 40

Swiss Agency for Development and Cooperation

- [myNetWorks: A Collaborative Web Environment for Sustainable Environmental Technology](#), 25

Switzerland

- [myNetWorks: A Collaborative Web Environment for Sustainable Environmental Technology](#), 25

Taxonomy

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Technology transfer

- [SIAGUA: An Operational Spanish-Speaking Network in the Field of Water Knowledge in America](#), 10

Transboundary waters

- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Uganda

- [Building NGOs/CBOs' Capacity Through Information](#), 6

Urban areas

- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22

Uruguay

- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

User interaction

- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

UWASNET (Uganda Water and Sanitation NGO Network)

- [Building NGOs/CBOs' Capacity Through Information](#), 6

Virtual libraries

- [Virtual Library on Environmental Health \(VLEH\)](#), 08

Volunteers. see Public participation

Water-borne diseases. See Public health

Water contamination

- [Arsenic Information Center: An Approach for Raising Awareness to Grassroots Communities of Nepal](#), 23
- [Rio de la Plata and Its Maritime Front Environmental Information System and Portal: Tools Used and Lessons Learned](#), 30

Water portals. see Internet portals

Water resources management. see Integrated Water Resources Management

Water scarcity

- [AQUASTAT: Getting to Grips with Water Information for Agriculture](#), 29

Water supply

- [The Potential and Use of Electronic Conferencing: A Study of Women's Involvement in a Global Community](#), 19

Water Virtual Learning Centre

- [The U.N. Water Virtual Learning Centre: A Flexible Distance Learning Course Programme on Integrated Water Resource Management](#), 26

WaterWeb Consortium

- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Web sites

- [EAUDOC: Your International Memory for Water](#), 11
- [Removing the Barriers to Collaboration: FreshwaterLife as an example of data sharing](#), 12

Women's participation

- [Organizing an E-Conference](#), 21
- [The Potential and Use of Electronic Conferencing: A Study of Women's Involvement in a Global Community](#), 19

World Water Assessment Programme

- [Water Portal of the Americas: A Component of the UNESCO/IHP-WWAP Global Water Portal and a Prototype for International Cooperation](#), 15

Zambia

- [PHAST Approach to Support Safe Water and Sanitation in Peri-Urban Areas: Case of Lusaka, Zambia](#), 22
